

**SAN DIEGO URBAN AREA SECURITY INITIATIVE  
(UASI)**  
San Diego Office of Homeland Security

**Course Title: TACTICAL MEDICINE – TECHNICIAN**

**Course Description:** This 40 hour course meets and exceeds California POST and EMSA guidelines for Tactical Medicine and provides 40 hours of CAPCE (formerly CECBEMS) credits and/or POST CPT for LE officers. It is held at Strategic Operations, Inc. (STOPS) in San Diego; utilizing STOPS Hyper-Realistic® capabilities which can be viewed at [www.strategic-operations.com](http://www.strategic-operations.com). In addition to passing all of the required skills practicums, at the end of the course each student will take the written exam for NAEMT TECC certification as well as coaching for national IBSC Tactical Paramedic Certification (TP-C). Whether certifying as a tactical paramedic on a SWAT team or preparing for Rescue Task Force (RTF) deployment at violent MASCALs, this course will imbued the inter-operable core skills you will need to provide under pressure.

**Target Audience:**

1. Paramedics assigned to a SWAT Team
2. Paramedics preparing for Rescue Task Force deployments
3. Advanced EMTs assigned as medics on federal/state tactical teams

**Tuition Cost:** **\$1,850**

**Students are recommended to contact their agency for possible tuition reimbursement, backfill and/or overtime; all of this is at the discretion of each agency.**

**Dates/Times:** **January 13 – 17, 2020**  
Monday, Tuesday, Wednesday, Friday 0800 – 1700  
Thursday 1400 – 2300

**Location:** 4705 Ruffin Road, San Diego, CA 92123

**Instructors:** Strategic Operations SMEs, Tactical Medics, Previous military medical backgrounds, Tac/Mil MDs, SWAT officers

**Dress Code:** Tactical Uniform or Duty Uniform  
Recommended to bring tactical medical vests, holsters, red lights, medical gear/bags or containers and PPE worn by assigned team. Front line consumable tactical medical equipment will be replaced by training equipment at STOPS.

For medics not assigned to a tactical team, wear EMS field uniform and STOPS will supply tactical medical containers and supplies.

**Enrollment:** Complete application and send to [meded@e-stops.com](mailto:meded@e-stops.com)
